Dear Parent / Carer,

## Year 12 Learn to Earn Event 8<sup>th</sup> March 2024

This year, National Careers week takes place from 4<sup>th</sup> - 8<sup>th</sup> March. National Careers Week is a one-week celebration of careers guidance and free resources in education across the UK. The Buckingham School is running a number of events throughout the week, providing a focus for careers guidance activities, to help support our students develop awareness and excitement about their future pathways.

On Friday 8<sup>th</sup> March, your child will be out of lessons all day to take part a Learn to Earn workshop, delivered by Young Enterprise. Learn to Earn motivates students by encouraging them to consider financial plans for the future, set goals and think about their future study options. Learn to Earn provides students with a clearer understanding of the routes to jobs and careers that they will find engaging and rewarding. It provides students with knowledge of the skills necessary to make successful transitions to the next stage of their life.

This event will run over the whole day, from 08:40 – 15:10. The cost of this trip is £8 per student and we are asking for a voluntary contribution to cover the cost.

Please can I ask payments are made via ParentMail by Friday 1<sup>st</sup> March 2024. There is no obligation to make a voluntary contribution and no child will be excluded from the event, however, it will be necessary to have sufficient contributions to cover the cost in order for the event to go ahead. If you are worried that you are unable to meet the cost of this trip, then please make an appointment to discuss this as soon as possible.

Should you like further information regarding this event, or have any questions, please do not hesitate to contact me.

Yours faithfully,

**Miss C Shanahan**
