

29th January 2024

Dear Parent / Carer,

Humanutopia

We have invited an organisation called Humanutopia in to School on Tuesday 20th February to work with our Year 9 students in this very exciting and innovative event.

The day is called "Who Am I" and is designed to help young people discover an authentic side to who they are.

The first part of the day deals with important teenage issues around personal awareness, peer pressure, conformity and bullying. The second part of the day focuses on choices, teamwork, leadership, and aspirations. All students will consider the choices they have going forward and changes they may need to make.

The experience is designed to empower young people to develop critical life skills and take motivation and ownership of their education. We are certain this will be a positive and memorable experience for your child and feel it is a perfect complement to their academic studies.

For further information on Humanutopia, please visit their website at www.humanutopia.com.

Yours faithfully

Mrs D Ribbans

Head of Year 9
