

18th April 2024

Dear Parent / Carer,

Business Revision Sessions

I hope this letter finds you well. I am writing to inform you about the upcoming Business revision sessions that will be held every Wednesday from 15:20 to 16:00. These sessions are compulsory for students who are currently below their target grade in Business.

It is crucial for the academic progress of our students that they attend these revision sessions regularly. The aim of these sessions is to provide additional support and guidance to help students improve their understanding of key concepts, develop their analytical skills and enhance their overall performance in Business.

As parents/carers, your support and encouragement is instrumental in ensuring that your child attends these sessions consistently. Your involvement in their education plays a significant role in their success and I urge you to emphasise the importance of attending these revision sessions to your child.

The support and collaboration between home and School are essential in helping our students reach their full potential. Therefore, I kindly request that you make necessary arrangements to ensure that your child attends these Business Revision Sessions each week.

If you have any concerns or queries regarding the Revision Sessions, or if your child is facing challenges that need to be addressed, please do not hesitate to contact me. I am here to assist and support both you and your child in any way possible.

Thank you for your attention to this matter. Together, we can work towards helping your child achieve their academic goals and succeed in their Business studies.

Yours faithfully,

Miss C Shanahan

Curriculum Leader, Business
