Dear Parent / Carer,

## Supporting Your Child During Exam Season: EverLearner Video Resource

As we approach the upcoming exam season, I wanted to take a moment to highlight a valuable resource that can support your child in their preparations. Recently, our school partnered with EverLearner to provide supplementary educational materials and I'm pleased to share with you a particularly informative video that can aid your child's study efforts.

The video, accessible at the following link: <https://youtu.be/OzZzDSCXIXs?si=ioy7KTlpTvNxSe2>, offers comprehensive guidance on how you can support your child in the run up to their PE exams. We believe that by utilising resources like the EverLearner, students can enhance their understanding of key concepts, refine their exam-taking skills and ultimately perform to the best of their abilities.

Encouraging your child to engage with such resources is essential, especially as they navigate the demands of exams. However, we also recognise that your support as parents/carers plays a significant role in their academic success.

By working together as a supportive network, we can empower our students to approach their PE exams with confidence and resilience. Thank you for your ongoing partnership in your child's education.

If you have any questions or concerns, please don't hesitate to contact me. We're here to support both you and your child every step of the way.

Yours faithfully,

**Mr J Ribbans**

Curriculum Leader of Physical Education
